COMMUNITY ENGAGEMENT

Design Mentorship

Freelance | Mar 2022 - Current

As a mentor, I have had the privilege of guiding individuals in their personal and professional development in UI/UX, gaining precious experience and insights along the way. My participation as a mentor in two Emily Carr classes allowed me to share my knowledge and experience with aspiring professionals in the field. I am eagerly looking forward to the FLUI UI/UX Hackathon in February 2024, where I will have the opportunity to continue learning from and helping individuals who are growing into the tech field. I am deeply grateful for the chance to positively impact people's lives and inspire them to achieve greatness in their careers.

Worldwise Alumni Network Advisory Board Leader

Dulwich College Suzhou | Jan 2021 - Current

I was chosen to be a part of my high school's WAN Advisory Board. Our aim is to bring together alumni from across the Dulwich family of schools to develop professionally, socialize, and work together to pioneer positive change in industry, society, and our communities. We organize and run events for alumni to mingle, reminisce, and participate in panel discussions on transitioning from high school to university and entering the workforce.

TEDxEmilyCarrU Organizer

TEDxEmilyCarrU | Sep 2019 - Sep 2020

As co-organizer of TEDxEmilyCarrU, I led teams for Communication, Curation, Design, Event and Video Production, and Finance. I created a new website for TEDxEmilyCarrU using Squarespace and managed their Instagram.

TEDxEmilyCarrU Speaker

TEDxEmilyCarrU | March 2019

I had the privilege of being invited as a speaker for TEDxEmilyCarrU - Greater Than You. My talk titled, "*What we overlook about change*" was inspired by my experiences of living in India, the Netherlands, China, and Canada. As someone who has moved around quite a bit since childhood, my aim was to encourage the audience to reflect on when they last embraced change with curiosity, without feeling anxious about the impact it may have on their lives. I hoped to inspire the audience to see unexpected life changes as opportunities to grow and flourish.

Writing Centre Tutor

Emily Carr University | Sep 2018 - May 2020

While working at the Writing Centre, I had the opportunity to collaborate with a diverse group of students and engage in critical thinking. This role helped me improve my ability to comprehend and communicate intricate ideas. I also developed strong leadership and mentoring skills by guiding students in their writing, which in turn improved my communication skills for expressing design concepts. Providing and receiving constructive feedback was an essential part of my job, both in-person and online. This experience not only enhanced my tutoring skills but also improved my ability to iterate on design feedback, which is a crucial part of the design process.
